

2014 Asia-Pacific Computer Science and Application Conference (CSAC 2014)

December 27-28, 2014 Shanghai, China

亚太计算机科学与应用学术会议

<http://www.apcsac.org>

Invitation

November 20, 2014

Dear Lin Dai, Li Wang, Jingru Wang,

Thank you very much for your support to the **Asia-Pacific Computer Science and Application Conference (CSAC 2014)**. We are pleased to inform you that your paper:

ID: CSAC6695

Title: Evaluation of Compression Methods for Genomic Sequence

Author(s): Lin Dai, Li Wang, Jingru Wang

has been accepted as a full paper in the final program. Congratulations!

We cordially invite you to give an oral presentation in **Asia-Pacific Computer Science and Application Conference (CSAC 2014)** in Shanghai, China from December 27-28, 2014. CSAC2014 will bring together researchers from many institutes and around the world to exchange research results and address open issues in all aspects of Computer Science and Application.

CSAC is sponsored by Taylor & Francis Group, East China University of Science and Technology, Shanghai Jiao Tong University, Nanjing University of Science and Technology, Feng Chia University and so on. There will be many distinguished scholars from many institutes to join this meeting and you will see many exciting new fronts in Computer Science and Application fields.

We are looking forward to seeing you in Shanghai, China!

Best regards,

CSAC Organizing Committee
